SAFE

For Human Beings, Pets

Pest-Free Outdoor Fun with Easy-to-Use Fogger!

Now any home-owner can enjoy lawn parties, barbecues, home gardening, free from annoying mosquitoes, flies and other insect pests! With the sensational new Blitz-Fog Thermal Gun, which fits right on to your Gravelly Tractor, you can safely, effectively and economically lay a penetrating fog in the same manner as that done professionally in parks, resorts, etc.

Imagine--with low cost Blitz - Fog, the average home area can be effectively treated in just 20 minutes... instant death to those troublesome insects, yet perfectly safe to humans, pets and foliage.

You can let the engine do all the work and forget all about that tedious hand spraying. Anyone can install it himself in just a few minutes. Blitz-Fog Thermal Gun becomes an integral part of the Tractor, and stays on permanently because it never interferes with normal engine performance.
