

GRAVELY *Technical* **BULLETIN**

BULLETIN NO. 1080
DATE: July 7, 1964
TO: ALL OUTLETS
SUBJECT: Modification of 20-Gallon Sprayer

The 20-Gallon Sprayer has been modified to permit its use with the Westchester.

Basically, the plumbing at the rear of the Tank has been positioned closer to the Tank, thus providing more clearance.

A new Illustrated Parts and Price List will be distributed soon.
