

GRAVELY BULLETIN

sales information

DATE March 4, 1952 **NUMBER** 430
SUBJECT Special Muffler for Gravely
Tractor

From time to time we have received inquiries from you and many of our users asking whether we could supply a special large muffler that would do a better job of muffling the engine exhaust. We are glad to report that we are now in position to supply such a muffler if there appears to be sufficient demand to warrant manufacturing them.

We enclose two prints which show the Model L Tractor equipped with this muffler. The selling price of the muffler complete FOB Dunbar would be \$11.50 less your regular discount. The muffler cannot be used with Gear Reduction Wheels. It is individually boxed, completely painted, ready for over-the-counter sale to your customers.

Shown below is an order blank. We would appreciate your giving us your order for your immediate needs on this muffler. After receiving these orders, we will then decide as to whether the demand is such that we will want to go ahead and tool up for production. We will also let you know as to our decision.

Gravely Motor Plow & Cultivator Company
Dunbar, West Virginia

Gentlemen:

Please enter our order for _____ Special Mufflers as described in your bulletin No. 430 _____.
